

Key outcomes of the 8th Global Partnership Steering Committee

8th Steering Committee,
Mexico City, Mexico 3-4 September 2015

GPEDC in the 2030 Agenda

An extraordinary time in history

- Through its unique inclusive, multi-stakeholder nature, GPEDC can help to deliver on the 2030 agenda
- Development effectiveness principles at the heart of our work – apply these in selected SDGs
- GPEDC cannot do everything; we need to concentrate
- GPEDC's legitimacy comes from demonstrating results
- Country focus essential – involving all stakeholders to promote dialogue, actions, and accountability for change
- Work differently, align to the new agenda – build trust, learn from each other, be action oriented; this will encourage others to join
- Strengthen coherence at all levels – GPEDC an indispensable platform

Monitoring: one of our strengths

- Make monitoring framework more useful for all partners
- Inclusive of all stakeholders
- Contributes to monitoring and review of SDGs

Second Monitoring Round

- Political opportunity for multi-stakeholder dialogue both at global and country level
- Approach for Pilot Indicators endorsed (results, CSOs, private sector)
- Commitment to increased participation and using the findings

Second High Level Meeting

- Highest level commitment by Kenya
- HLM2 timely opportunity to focus on implementation of SDGs
- Focus on success and results
- Deal with unfinished business
- Broader participation – political outreach by all Steering Committee members
- Ambassador Macharia Kamau to facilitate outcome document; precise nature still to be determined

Communications and Outreach

- Focus on promoting development effectiveness
- Tell stories about effective development cooperation
- Messages and means need to be fit for purpose and audience
- Strategic outreach to particular stakeholders
- Two-way communication is central

Resource Mobilisation

- **Gap of 5 million USD for GPEDC Joint Support Team**
- **We need to fund our ambition**
- **In addition, HLM2 funding to be raised**

Next Steps

- Agree on priority areas to sharpen our vision
- Establish inclusive working groups on country focus/ multi-stakeholder partnerships at country level; knowledge hub
- Formal and informal outreach to key stakeholders
- GPs – harness the results, disseminate learning and link to our broader work
- Compendium of country level and stakeholder-led practices to inspire mutual learning
- Encourage strong participation in Second Monitoring Round
- Step up our communication efforts
- HLM2 – Hosts to finalise agenda and process for preparations; working group to assist
- Working group to mobilise GPEDC resources.
