- Exhibitions/Social Events

**High Level Segment: Two Days**

| Day 1       |                                                                                                                                                         |             |             |                                    |             |             |
|-------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|-------------|------------------------------------|-------------|-------------|
| 07.30-08.30 | Side Events                                                                                                                                             | Side Events | Side Events | Side Events                        | Side Events | Side Events |
|             | Plenary Sessions <sup>12</sup>                                                                                                                          |             |             | Amphitheatre Sessions <sup>3</sup> |             |             |
| 08.30-09.30 | Opening Ceremony                                                                                                                                        |             |             |                                    |             |             |
| 09.30-11.00 | Plenary One: Progress with implementing the aid and development effectiveness agenda – addressing unfinished business and identifying new areas of work |             |             | 09:30-10:15                        | Session 1:  |             |
|             |                                                                                                                                                         |             |             | 10:15-11:00                        | Session 2:  |             |
| 11:00-11:30 | Coffee/Tea Break                                                                                                                                        |             |             |                                    |             |             |
| 11.30-13.00 | Plenary Two: Enhancing the quality and impact of global Partnerships for the implementation of the SDGs and the Addis Ababa Action Agenda:              |             |             | 11:30-12:15                        | Session 3:  |             |
|             |                                                                                                                                                         |             |             | 12:15-13:00                        | Session 4:  |             |
| 13.00-14.00 | Side Events                                                                                                                                             | Side Events | Side Events | Side Events                        | Side Events | Side Events |
| 13.00-14.00 | Lunch Break                                                                                                                                             |             |             |                                    |             |             |
| 13.00-14.00 | VIP Lunch                                                                                                                                               |             |             |                                    |             |             |
| 14.00-15.00 | Side Events                                                                                                                                             | Side Events | Side Events | Side Events                        | Side Events | Side Events |

<sup>1</sup> The working titles for the Plenary Sessions are proposed for consideration by Kenya as hosts and the Co-Chairs. Further discussion on working titles and on the topics for the Amphitheatre Sessions will occur during the 8<sup>th</sup> Steering Committee meeting in Mexico

<sup>2</sup> It is intended that all sessions have an overarching emphasis on **generating evidence** that can inform implementation of the FfD and post-2015 agendas; and on **an inclusive, multi-stakeholder approach** to development.

<sup>3</sup> Further discussion on the topics for the Amphitheatre Sessions will occur during the 8<sup>th</sup> Steering Committee meeting in Mexico

|             |                                                                                                                                        |             |             |             |             |             |
