

## The Global Partnership for Effective Development Co-operation Development Partners' Conference

**Vienna, 29-30 September 2016**

**OPEC Fund for International Development (OFID)**

### Effective Development Co-operation to help achieve the Sustainable Development Goals: What will development partners contribute?

*In preparation of the second High Level meeting of the Global Partnership for Effective Development Co-operation, this conference will reflect on progress in efforts to improve the effectiveness of development co-operation and agree on further collective action development partners will take to accelerate effective implementation of the 2030 Agenda.*

#### Draft agenda

Day 1: 29 September 2016	
Opening session	
09:30-09:45	Welcome remarks by Mr Suleiman Jasir Al-Herbish, Director-General of the OPEC Fund for International Development
