LIST OF NEW GLOBAL PARTNERSHIP INITIATIVES

This annex contains a list of 28 initiatives which aim to advance specific commitments for effective development co-operation, as well as make progress in new and innovative areas of the Global Partnership. These initiatives are voluntary and led by different groups of Global Partnership's stakeholders. If your country or organisation is interested in joining any of these initiatives, please contact the lead organisation either during or following the end of the Second High Level Meeting in Nairobi (30 November-1 December 2016). Applications for new Global Partnership Initiatives would also be welcome after the Second High Level Meeting, by following the guidance available in the Global Partnership website:

BUILDING INCLUSIVE PARTNERSHIPS – CIVIL SOCIETY			
Civil Society Continuing Campaign for Effective Development	CSO Partnership for Development Effectiveness	This initiative aims to advance international standards enabling the environment for civil society organisations (CSOs) involvement in multi-stakeholder policy dialogue. Over the next years, it will aim to deliver improved CSO participation in 7 regional and 50 country development policy arenas and achieve policy gains in translating effective development co-operation and CSO positions on private sector accountability, south-south co-operation, peace and security in the particular context of these regions and countries.	www.csopartnership.org Roberto Pinauin, rpinauin@iboninternational.org
Advancing the CSO Enabling Environment & CSO Development Effectiveness	Task Team on CSO Development Effectiveness and Enabling Environment	This initiative aims to help refine Indicator Two of the GPEDC Monitoring Framework (as appropriate); produce a stock-take of the 3rd round of GPEDC Indicator Two monitoring; further develop guidance on CSO enabling environment and CSO development effectiveness; and raise awareness and develop capacity to support country level multi-stakeholder dilaogue in relation to Indicator Two and development effectiveness principles more broadly.	www.taskteamcso.com Jacqueline Wood, Task Team Secretariat, woodjacqueline@hotmail.com David Wubs-Mrozewicz, Task Team Secretariat Manager, wubs@iss.nl
DataShift	CIVICUS, World Alliance for Citizen Participation	The DataShift initiative is helping civil society produce and analyse data, especially citizen-generated data, to drive sustainable development. It does this by building capacity, powering campaigns and improving the monitoring of government, resulting in better accountability, policies and services.	CIVICUS www.thedatashift.org Jack Cornforth, jack.cornforth@civicus.org

| **BUILDING INCLUSIVE PARTNERSHIPS – SOUTH-SOUTH CO-OPERATION** | | | |
| Promoting effective Triangular Cooperation | Mexico | This initiative seeks to bring together interested development actors to discuss their experiences in the establishment of guidelines and the creation of triangular cooperation frameworks that ensure country-led and country-based processes and inclusive partnerships. By forging clear and actionable guidelines that align with the development priorities of countries, it is expected that triangular co-operation will be further strengthened as an effective development co-operation modality | Noel González Segura, AMEXCID (ngonzalez@sre.gob.mx) |

		and will result in positive outcomes for the all partners involved.	
Future International Cooperation Policy Network	Articulação SUL, China International Development Research Network, Participatory Research in Asia (PRIA) and the Institute of Development Studies	Commitment to engage in research-based mutual learning and knowledge dissemination, interacting with governments and non-state actors to contribute to the systematisation and dissemination of existing knowledge, and the co-construction of new knowledge on development innovations from the BRICS and other increasingly influential middle-income countries.	http://www.ids.ac.uk/project/future-international-cooperation-policy-network Louise Oakley, Centre for Rising Powers and Global Development, l.oakley@ids.ac.uk
BUILDING INCLUSIVE PARTNERSHIPS – MULTI-STAKEHOLDER PARTNERSHIPS			
Promoting Effective Partnering (PEP)	Collective Leadership Institute, Partnership Brokers Association, Partnerships in Practice, Partnerships Resource Centre, The Partnering Initiative	The SDGs require collaborative approaches to generate new thinking and practices. Such partnerships can be challenging. PEP's aim is to create a vibrant platform offering opportunities to learn from each other's experience or to seek support when things are not going according to plan. PEP developed an online facility with free resources, guiding questions and performance indicators for those new to partnering and those looking to improve their partnering efforts: www.effectivepartnering.org	Marieke de Wal info@effectivepartnering.org
Social Dialogue in Development	Trade Union Development Cooperation Network	The *Social Dialogue in Development* is aimed at putting forward the benefits and use of social dialogue as an instrument to contribute to the SDGs, on the basis of the Global Partnership principles and commitments. It will undertake specific research and produce a yearly report on specific themes related to social dialogue for development. The themes will be discussed in specific meetings held at least once a year.	Diego.Lopez-Gonzalez@ituc-csi.org
