

Reinvigorating Effectiveness for the 2030 Agenda Paris | 11-12 September

Stories of Progress Campaign

We would like to invite you to record a 90-second video during the event to share what GPEDC means to you and how your government or organisation is working to make development co-operation more effective.

Your videos will be showcased and promoted on the GPEDC website, social media outlets and newsletters, sharing your stories with our global network of over 10,000 stakeholders.

Are you a **national co-ordinator**?

Are you a **development partner**?
