HOW TO BECOME OR DISCONTINUE A GLOBAL PARTNERSHIP INITIATIVE

Application Process: Initiatives seeking to become a Global Partnership Initiative (GPI) must submit an application for the Joint Support Team's review against the application criteria via e-mail: info@effectivecooperation.org

The application should respond to the following questions:

1. *Please provide a short description of the initiative, outlining concrete deliverables to improve the quality of development co-operation on the ground (i.e. not just meetings), expected outcomes (the outcome should involve multiple actors), and relevance to the agenda of the Global Partnership for Effective Development Co-operation (GPEDC) and the realisation of the SDGs. Please make sure to keep your text short (max 500 words), as well as action and outcome-oriented.*

2. *Please specify partners involved and ideas/ways for interested partners to get involved with your initiative. In addition, please let us know if the GPEDC can help you to reach out to specific partners.*

3. *Please provide a timeline for your initiative's deliverables until the Second High Level Meeting of the GPEDC (late 2016 in Nairobi, Kenya).*

4. *If available, please provide relevant website and online links to further information on your initiative.*

5. *Please provide the name of a contact person or focal point for your initiative. This name will be added to the Joint Support Team's database of GPI "leads" and will be shared publicly for information related to the initiative.*

The **application criteria** for initiatives wishing to become a GPI are:

- Endorse the four Busan Principles.
- Propose activities aimed at improving development co-operation on the ground.
- Be multi-actor.
- List at least one intended result linked to development effectiveness principles and commitments.

- State how the activities contribute to implementation of at least one of the Sustainable Development Goals (SDGs).
- Agree that results may be featured under the umbrella of the Global Partnership for Effective Development Co-operation (GPEDC).
- Report bi-annually to the GPEDC according to the criteria outlined in the reporting template.

Successful application will be added to the list of GPIs and will be eligible to be showcased on the dedicated online platform for the GPIs.

Discontinuing a GPI:

Initiatives wishing to be removed from the list of GPIs can make such request to the Joint Support Team via e-mail at info@effectivecooperation.org
