

HOW TO BECOME OR DISCONTINUE A GLOBAL PARTNERSHIP INITIATIVE

Application Process: Initiatives seeking to become a Global Partnership Initiative (GPI) should submit an application for the Joint Support Team's review against the application criteria via e-mail: info@effectivecooperation.org

The application should respond to the following questions:

- 1. Please provide a short description of the initiative, outlining concrete deliverables to improve the quality of development co-operation on the ground (i.e. not just meetings), expected outcomes (the outcome should involve multiple actors), and relevance to the agenda of the Global Partnership for Effective Development Co-operation (GPEDC) and the realisation of the Sustainable Development Goals. Please make sure to keep your text short (max 500 words), as well as action and outcome-oriented.*
- 2. Please specify partners involved and ideas/ways for interested partners to get involved with your initiative. In addition, please let us know if the GPEDC can help you to reach out to specific partners (maximum 300 words)*
- 3. Please provide a timeline for your initiative's deliverables*
- 4. If available, please provide relevant website and online links to further information on your initiative.*
- 5. Please provide the name of a contact person or focal point for your initiative. This name will be added to the Joint Support Team's database of GPI "leads" and will be shared via our website for information related to the initiative.*
