9:00 – 9:30  OPENING
Co-Chair vision for 2019 Senior-Level Meeting and objectives of the Uganda Steering Committee meeting

9:30 – 11:00  PART I: THE SENIOR-LEVEL MEETING: AGREEING ON STRUCTURE AND NARRATIVE (CHAIR: UGANDA)

Part I will discuss and aim to agree on the overall structure of the draft programme of the GPEDC Senior-Level Meeting (SLM) and its overall narrative, including linkages to the 2019 HLPF and the SDGs under review this year. This discussion will be based on the SLM concept note, agreements at SCM16 and Core Group discussions. Part I will not focus on the substantive elements of individual SLM sessions.

Decision: Agree on structure and overall narrative of the draft SLM programme

Run-of-show: The SLM Core Group will present the proposed structure of the SLM programme

The Chair will moderate an interactive discussion around two topics:

(1) Narrative: Objectives, linkages to HLPF & SDGs etc.
(2) Structure: Red thread and flow, session topics, titles and objectives

Background document: Draft SLM Programme

11:00 – 11:30  COFFEE BREAK

11:30 – 1:00  PART II: IMPLEMENTATION OF THE EFFECTIVENESS PRINCIPLES (CHAIR: BANGLADESH)

Part II will discuss how emerging evidence from the 2018 monitoring round and the country-level implementation pilots can inform the SLM narrative. As such, Part II provides opportunities for reflection on ‘Enhancing support to effective development co-operation at country level’ (Strategic Priority 1) and ‘Unlocking potential of effectiveness and updated monitoring for 2030’ (Strategic Priority 2), in particular on the work on country-level pilots, the monitoring round and the future of the Global Action Plan.1

Decision: Agree ‘substantive pitch’ for the respective sessions of the SLM

Run-of-show: JST: Update on process and preliminary substantive findings from the 2018 monitoring round (20’) and overview of implementation of country-level implementation pilots.

Followed by reflections on the presentation from members, the Chair will moderate a discussion on how to ensure that this evidence (i) resonates with the SLM audience and leads to policy change at country level; and (ii) conveys a clear sentiment of what the GPEDC contributes to the SDGs (1h10’)

**Background documents:**
(i) Evidence Towards Good Effectiveness Practices and (ii) Status Update on the 2018 Monitoring Round and Report Production

### 1:00 – 2:00

**LUNCH BREAK**

### 2:00 – 3:00

**PART III: ADAPTING EFFECTIVENESS TO CONTEXT-SPECIFIC CHALLENGES**

(Chair: 4th Non-Executive Co-Chair)

Part III will advance substantive work and provide updates on monitoring effectiveness in fragile situations and South-South Co-operation. It will present a tailored monitoring approach on effectiveness in fragile situations, based on deliberations of an Open Working Group (OWG), and share latest experiences of piloting an adapted monitoring approach for South-South contexts, building also on discussions at BAPA+40.

**Decisions:**
1. SLM messaging related to the two monitoring approaches based on updates on relevant work
2. Agreement on the elements of the proposed tailored monitoring approach for fragile situations

**Run-of-Show:**
- **Open Working Group** (OWG) presentation of elements to be included in the tailored monitoring approach for fragile situations, as proposed by the OWG (10’, followed by 20’ discussion to agree on elements)
- **Mexico** to provide an update on the ongoing work to develop an approach to monitor effectiveness in South-South Co-operation, with a focus on learning from recent voluntary pilots to assess South-South Co-operation (10’, followed by 20’ discussion).

**Background document:** Proposed Monitoring Approach in Fragile Contexts

### 3:00 – 4:00

**PART IV: WORKING WITH THE PRIVATE SECTOR FOR THE SDGs AT COUNTRY LEVEL: NEW PARTNERSHIP PRINCIPLES**

(Chair: Germany)

Based on i) consultations at the Specialised Policy Dialogue in Paris in January 2019, ii) country-level evidence and workshops ([Uganda](#), [Bangladesh](#), [Egypt](#) and [El Salvador](#)) that resulted in an issues paper consulted with stakeholders, and iii) the inputs and guidance of the Business Leaders Caucus and the PSE Working Group, Part IV aims to get agreement from the Steering Committee on draft principles for effective private sector engagement (PSE) through development co-operation. It will be an opportunity to discuss how to further shape PSE guidelines, how to present this work at the Senior-Level Meeting, and how to use advocacy and outreach activities in the lead-up to the SLM to get strong buy-in from all stakeholders, in particular the diverse private sector.

**Decision:** Agreement on draft PSE Principles and Guidelines

**Run-of-Show:** Lead of Working Group 4 to present draft Principles and Guidelines as well as the objectives for the SLM (10’, followed by 20’ moderated discussion to agree on principles and approach to advance guidelines and SLM preparations).

---

**Note:**
- Agenda
- Global Partnership for Effective Development Co-operation
Business Sector to present deliberations of the Business Leaders Caucus, its statement from Paris, and the plans to generate momentum around the principles in the business community (10’, followed by 20’ moderated discussion)

Background document: Draft PSE Principles and Guidelines

4:00 – 4:30 COFFEE BREAK

4:30 – 5:30 PART V: EMERGING EFFECTIVENESS ISSUES (CHAIR: UGANDA)

Part V aims to collect Members’ thinking around emerging effectiveness issues with a dual purpose: (1) to discuss topics which may be relevant for the SLM and beyond; and (2) to decide on outreach that ensures emerging effectiveness issues are demand-driven, relevant and that position the GPEDC as a forward-looking network. Such emerging issues identified in the run-up to the SLM may also feed into a future GPEDC work programme, which will be decided under new leadership after the SLM.

Decision: Agree on strategic outreach to identify emerging effectiveness issues

Run-of-Show: Introduction by Co-Chair, recapping discussion in New York on ‘emerging frontier issues’, outlining how ‘new issues’ will be featured at the SLM, and encouraging a brainstorming on topics and an inclusive process (10’)

Presentation of Knowledge-Sharing Platform as a possible tool for ensuring inclusivity and helping to shape consensus around issues of emerging importance for consideration at the SLM (5’)

Moderated, interactive discussion

6:00 Followed by dinner hosted by the Government of Uganda

Wednesday, 27 March 2019

Part VI will also invite expressions of interest from Steering Committee members to lead the organisation of individual sessions, in consultation with the SLM Core Group and with support from the Joint Support Team.
